School of Business Pre-Requisites

All students admitted to the MS in Business Analytics are required to have successfully completed at least one undergraduate or graduate course in Programming and Statistics.

Based on our review of your academic transcripts, we have determined the following courses are either waived or not waived in accordance with your background:

Programming: Waived

Statistics: Waived

The above prerequisite(s) MUST be completed prior to the first day of classes.

In order to complete your prerequisite(s), you have several options. You can take Clark-offered pre-requisite courses during the semester before you begin your graduate program. We will follow up with more information regarding these offerings in the weeks to come.

You can also complete a Clark-approved online course to satisfy **one** of your missing pre-requisites.

Please find the approved course links below:

Programming: <https://www.linkedin.com/learning/python-essential-training-14898805>

Statistics: <https://www.udemy.com/course/statshelp/>

Calculus: <https://www.udemy.com/course/calculus1/>

Economics: <https://www.udemy.com/course/the-market-forces-of-demand-supply-equilibriu>

Once you complete the course(s), please email the completion certificate to the graduate admissions office.

If you believe you have already fulfilled the above prerequisite(s), please email a copy of your course syllabus to gradadmissions@clarku.edu. You only need to submit information on the course(s) that you

believe will fulfill your prerequisite(s). Once we receive your course syllabus, we can determine whether or not your prerequisite(s) can be waived.
